ABSTRACT

This library handbook was designed to aid the education student in the areas of speech and hearing disorders. It lists reference materials basic to general research and gives their location in the Fogler Library at the University of Maine. Materials are listed in seven categories: (1) bibliographies; (2) dictionaries, encyclopedias, and handbooks; (3) directories; (4) style manuals; (5) miscellaneous; (6) abstracts and indexes; and (7) journals. Some entries are annotated. (Author/[illegible])

THE CARD CATALOG

A note on using the card catalog:

To simplify use of the card catalog when looking for a particular subject use:

Library of Congress. Subject Headings.
Lists correct subject headings and gives alternatives or related headings. Extremely valuable tool. Eliminates searching in too broad or dead-end areas. (Located at the card catalog or Reference Desks)
